

## THE GREGORY PLAN

### Missouri Deportation Plan

#### **General Plan.**

To protect all citizens in Missouri from illegal aliens by creating a new trespassing law that catches and incarcerates illegal aliens indefinitely until the federal government agrees to deport them or they are vetted and released by the Parole Board.

This plan intends to further prevent such illegal aliens from future legal residency, registering to vote, obtaining driver's licenses, and receiving any other public benefit in Missouri.

The Parole Board will have the authority to vet and release illegal aliens that are truly seeking asylum and/or are not determined to be a threat to Missourians.
